

ST. JAMES'S PALACE

24th July 1999

Dear Mrs. Sebestyén,

I am so very grateful to you for your kindness in thinking of sending me some of your recordings, to which I look forward to listening with eager anticipation.

It was a great pleasure to hear you sing at the President's dinner in June and I found your song wonderfully evocative of that Eastern part of Europe from which you come and which I so enjoyed visiting some years ago. I can only say that I long to return and to see more of Hungary, its people, its culture and its traditional music!

Yours most sincerely

Princess
